Dan,
I am off today but I did get your voicemail regarding potential weekend work at the CRU Site. Does it work if I give you a call tomorrow to discuss? I don't think that it would be an issue getting the two requested subs out there on a weekend but I can make some calls tomorrow to confirm. We would need at least a few weeks notice to get the RFP issued for the driller and get the onecall done.

Thanks,

Tim
